

ARIZONA IN-STATE WORK

DEFEND THE VOTE ACTION FUND IS LAUNCHING A MULTI-

FACETED CAMPAIGN IN ARIZONA TO AID AND PARTNER WITH

LEADING IN-STATE ORGANIZATIONS THAT ARE WORKING

TO ADDRESS THE MOST PRESSING ISSUES IMPACTING

ARIZONA’S ELECTIONS AND ELECTION WORKERS.

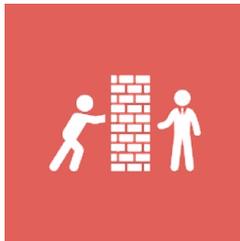

Since the 2020 election, Arizona has become ground zero for election deniers spreading unproven claims of widespread election fraud and casting doubt on the state’s election system. Local election officials and workers have faced consistent threats and harassment, leading to them leaving their posts in unprecedented numbers. Among the ongoing pressing threats in this critical battleground state include:

**ARMED AND OTHER
THREATENING
VOTER INTIMIDATION
TACTICS**

**ELECTION OFFICIALS
LEAVING IN RECORD
NUMBERS**

**POLITICIANS
TRYING TO STOP
THE COUNTING OF
VALID VOTES AND
ATTEMPTING TO
TAKE CONTROL OF
ELECTIONS**

**ANTI-DEMOCRATIC
POLL WORKER
RECRUITMENT
EFFORTS**

**BIG LIE FORCES THAT
TRIED TO OVERTURN
THE 2020 ELECTION**

Leveraging DTV-AF’s expertise and on-the-ground relationships, DTV-AF’s efforts are strategically focused on providing essential services and resources including, but not limited to: the recruitment, training, and support of election workers; stopping political violence, intimidation, and misinformation; and voter registration and education.

DTV-AF is also supporting in-state partners advocating for aligned policy goals, including protections for election workers, voters, and volunteers; and funding to help recruit, train, and protect election officials and poll workers.

AN ADDITION, DEFEND THE VOTE PAC WILL COMMIT APPROXIMATELY \$250,000 IN “DIRECT TO CANDIDATE” SUPPORT TO ALL FEDERAL DEMOCRATIC CANDIDATES.
